Message from Honourable Principal

Namaskar

Dedicated staff, dear Parents and wonderful students.

As we know this month marks the joy of auspicious freedom and the sacrifice of our freedom fighters who gave us the gift of free nation. As students and Educators it is our utmost duty to salute the martyrs, on this occasion, who make us to breathe in the air of freedom. Now its our moral responsibility to learn with dedication and act with discipline and treat each other with kindness and respect.

Let us pledge that we will be honest towards our duties and keep our Nation on first priority. Together we work hard to build a stronger, brighter and more peaceful India.

May this 80th Independence day will add freedom of thoughts, equality honour towards all religion, castes & creeds. Lets spread only one religion i.e humanity & humanity .

The youth who is cultivating in schools, will bear the torch to maintain the unity and integrity of India.

With these words, I would like to wish a Great Independence Day.

Jai Hind, Jai Bharat.

Sh. Basant Kumar Dhillon
